MEMORANDUM

TO: Town of Beloit Plan Commission
FROM: Tim Kienbaum, Community Development Director
RE: Site Plan / Plan of Operation Review, 2760 S. Bartells Drive

Demetrius Jones, owner of You Buy We Fly, has submitted a Site Plan / Plan of Operations for consideration and approval to operate a golf simulator business from the property at 2760 S. Bartells Drive.

Section 10.11(5) outlines the decision criteria:

i. Consistency with the Comprehensive Plan

The subject property is located within the Urban, Technology, Business or Industrial Campus designation of the Future Land Use Map included in the Comprehensive Plan. The operation of the proposed business is consistent with this designation.

ii. Project / Business Compatibility

The proposed business would operate as a permitted use in the I-1 zoning district and will have no compatibility issues with the surrounding businesses.

I have met with Mr. Jones and discussed the application. I have expressed the following concerns to him:

- Paved parking lot will not be large enough to accommodate parking for both businesses. Any additional parking area required must be paved.
- The change of use of the building may require plan approval by the WI DSPS
- The application indicates that they intend to serve alcoholic beverages, but no beverage license has been applied for.
- The application lists use by youth and high school students. How will alcoholic beverages be handled when minors are present?

I recommend tabling this application until the listed issues have been addressed.
