MEMORANDUM

3/28/2024

TO: Town of Beloit Board of Supervisors
FROM: Joe Rose, Public Works Director
RE: Discussion and Possible action on award of 2024 Crack Sealing, Seal Coating for DPW and Armstrong Eddy Park

STAFF RECOMMENDATION

I would recommend that the lowest bidder be awarded the contract, which is Hallman Asphalt & Sealing LLC.

RECOMMENDED MOTION

"I move to approve the award of the 2024 Crack sealing and seal coating for the DPW and Armstrong Eddy facilities to Hallman Asphalt & Sealing LLC as presented.

BACKGROUND

We received bids for crack sealing and seal coating of Armstrong Eddy, and the DPW parking lots. We received three bids for the project. The budgeted amount was \$46,000 for the project, and the lowest bid was \$20,860. This will help to maintain the parking lots and prolong the life cycle of the pavement.

ANALYSIS

All three bids met the spec and were within \$3,400 of each other.

If you have any questions, feel free to call me.

CC: Tim Wellnitz, Town Administrator
Karry DeVault, Town Clerk
John Malizio, Finance Director/Treasurer

Bid Tab Sheet

Project: 2024 crack filling, seal coating for DPW, Armstrong Eddy

Contractor	DPW	Armstrong Eddy	Total
Fjalstad & Sons	\$12,500.00	\$11,750.00	\$24,250.00
