MEMORANDUM

April 11, 2024

TO: Town of Beloit Board of Supervisors
FROM: Karry DeVault, Town Clerk
RE: Discussion and Possible Action on Committee Appointments

STAFF RECOMMENDATION

I make no recommendation on this item as it is the Board's choice of who they would like on the committees. I will say that each of the members who have served on each of the committees has done a fine job and I have spoken to the renewal members and each of them would like to continue their roles on their respective committee except for Jan Knutson who has served on the Plan Commission for 15 years. I would like to express my sincere appreciation for her commitment to the Town in her role on the Plan Commission. Jaron Combs has submitted his application to take her place on the committee.

RECOMMENDED MOTION

You can act on each seat as a separate motion or you can "Move to appoint the list of various committee members for the 2024 – 2025 appointments as presented."

BACKGROUND

Annually the Town Board is responsible for appointing new or renewing members to the various committees in the Town. Attached with this memo is a list of the committee member whose terms are set to expire or need to be filled.

These committee seats are three-year terms unless someone resigns or moves before their term date is over. The Board liaison seats are for a one year-term.

ANALYSIS

Town committees are essential to carrying out the duties and responsibilities of the Town. Member appointments are needed to make sure that these committees can operate. The Town Board should appoint members to the various committees in the Town to fill vacancies or terms that are about to expire.
