

Calling All Rock County Residents Let's get the Rock County Broadband Map Right!

Please check the Broadband map to confirm your service.

Step #1

Please find your home on the map at this link.

[tinyurl.com/
WisconsinBroadbandMap](https://tinyurl.com/WisconsinBroadbandMap)

Scan the QR code and drill down to find your location.

Step #2

If the data in the map says 100/20 Mbps service is available to the location but you can show that the provider has not made this available or denied a request for the service (email, letter, screenshot of correspondence), please forward that asap via email to:

MyInternetIsSlow
OR
MyInternetIsSlow@-
co.rock.wi.us

Step #3

Encourage your friends and family to help out too!

The State of Wisconsin will receive \$1.5B in federal grant funds for internet infrastructure.

Deadline to complete this is May 20, 2024
